DMXchange Builder Pte Ltd  
75 Duxton Road  
Singapore 089534

Attention : Mr Wilson Hoo / Mr Paiman

Dear Sirs,

**RE : TESTIMONIAL FOR DMX**

We are most pleased to do a reference for DMXchange Builder Pte Ltd.

When news was announced that "K" Line (SINGAPORE) PTE LTD will need to move by February 2015, we had a very short time frame to work with ID companies to ensure that our mission is accomplished.

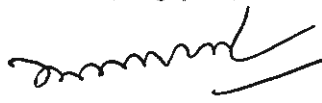

DMXchange Builder (DMX) was invited in November 2014 to do a presentation based on our requirement and we were very impressed that given a very short timeline, they were able to come up with a professional office layout and 3D impressions of our new office. They were creative, dedicated and meticulous and the project was managed very efficiently. Importantly, schedules were adhered to closely as we only had 2 months to work with. With such tight timeline, I am amazed by their resoluteness, resourcefulness and the ability to co-ordinate effectively with all parties concerned. DMX kept to their promise of delivering the project on time. We are happy with the bright, modern ambience and an impressive reception area. Our staff are also particularly happy with their breakout area.

Customers, business associates and vendors who visited our new office were impressed with what they saw and sang praises. We thank DMX for that and for a JOB WELL DONE! We must also compliment DMX for their creativity, commitment and professionalism. Special thanks go out to Mr Wilson Hoo, Business Development Director; Mr Paiman, the Project Director and Mr Dicky, the ID who were handling our project.

We are glad we have made a right choice of appointing DMX and we will certainly recommend them to any Company who are planning to relocate.

Thank you.

Yours sincerely,  
"K" Line (Singapore) Pte Ltd

Ms Florence Lee  
Corporate General Manager  
Human Resource & Administration
