**RE: Reference letter for Dmxchange Builder Pte Ltd**

I have had the great pleasure of working with DMX with regards to the interior fitting-out works of our new 220k sqft office building in 2013. I was glad to have appointed DMX, as they managed to complete our mega project within our specified budget and a tight timeline of 3 months construction period. DMX saw through the entire construction process and did everything necessary to overcome issues that have surface through their expertise and project management capabilities. I am also very pleased with the workmanship and quality of work done.

I am very satisfied and happy with DMX works and I look forward to a long-lasting working relationship with them. It is with deepest appreciation that I am writing this letter for a job well done.

Yours faithfully,

**ST Electronics (Info-Software Systems) Pte Ltd**
