#### LETTER OF TESTIMONIAL

Dear Ms Oh

We are pleased to have appointed DMXChange Builder Pte Ltd for the design, build and recent relocation of our Singapore office; who managed to deliver the project on-time despite the very tight timeline with minimal disruption to our business continuity, as well as managing within our budget.

Working with your team throughout the project was assuring, as such enabling our employees to enjoy our new home.

Yours sincerely

For and on behalf of AET Tankers Pte Ltd
